-

Landscape Journal is dedicated to the dissemination of the results of academic research and scholarly investigation of interest to practitioners, academicians, and students of landscape architecture.

Cover: A drop in the Kern Island Canal, Greenfields Ranch, California. Photograph by Carleton E. Watkins, 1888 (no. 69). Library of Congress. See Jane C. Loeffler, "Landscape as Legend: Carleton E. Watkins in Kern County, California."

Below: This nuclear power plant near Sacramento, California, the first in history to be shut down by a vote of the people, is an *iconic* landscape technology whose conspicuous placement and appearance calls forth considerable attention to itself. Photograph by R. Thayer. See Robert L. Thayer, Jr., "Three Dimensions of Technology in the American Landscape."

Volume Eleven, Number One

Spring 1992
