Landscape Journal is dedicated to the dissemination of the results of academic research and scholarly investigation of interest to practitioners, academicians, and students of landscape architecture.

Cover: The Landscape Concept: A Camouflaged Warship (two views of the Stockholm port). Photograph by Bernard Lassus, 1969. See "Most Influential Landscapes."

Below: Looking north from the top of the artificial hill built by Herod to view his palace and the wadi (foreground) and the oasis of Jericho (middleground) set against the desert and the Judean Hills (background and left). See Kathryn Louise Gleason, "A Garden Excavation in the Oasis Palace of Herod the Great at Jericho."
