-

Landscape Journal is dedicated to the dissemination of the results of academic research and scholarly investigation of interest to practitioners, academicians, and students of landscape architecture.

Cover: Cultural elements in the landscape of Old World Wisconsin at Eagle, Wisc. Photo by William H. Tishler, July 1981. See Robert Z. Melnick, "Protecting Rural Cultural Landscapes: Finding Value in the Countryside," page 85, for a suggested method by which the National Park Service may analyze and evaluate cultural landscapes within a larger natural setting.

Below: A view of Boxley Valley, Buffalo National River in Arkansas. See Melnick, page 85. Photograph by Robert Z. Melnick, February 1981.

Volume Two, Number Two

Fall 1983
