

CELA Members: Need Help Accessing *Landscape Journal* Online?

If you're a faculty member having trouble accessing *Landscape Journal* online, we can help. Online access provides many benefits, including searchable content and access to all back issues.

- If a program's university library system subscribes to *Landscape Journal*, faculty members should be able to access and view all content online through their university's library website catalog. If you are a faculty member and your university subscribes to the journal, contact your librarian with access difficulties. Access is not available for faculty whose libraries are not subscribers.
- If you are a CELA member, you are entitled to online access as part of your membership. Please contact us with the name and address of who was the recipient of the order (for example, University of Wisconsin–Madison, 1450 Linden Drive), so we can verify with the master list of end-users. Email journals@uwpress.wisc.edu, or call (608) 263-0668.

After you've determined which situation applies to you, you can go to lj.uwpress.org, and read current and back issues to your heart's content.

Online access at <http://lj.uwpress.org> allows you to:

- > Search across titles, tables of contents, abstracts, full text, figures, and journals
- > View tables of contents and abstracts
- > Email article information to a friend and sign-up for email alerts
- > View most read papers list & most-cited papers list
- > View FREE sample issue
- > Subscribe to the journal
- > View entire back content (with subscription)

Environment & Land Management Journals

Ecological Restoration

Edited by Steven N. Handel
ISSN: 1522-4740
e-ISSN: 1543-4079
Published 4 times per year

Ecological Restoration is a forum for people interested in all areas of ecological restoration. It features the technical and biological aspects of restoring landscapes, as well as emerging professional issues, the role of education, evolving theories of post-modern humans and their environment, land-use policy, the science of collaboration, and more. The quarterly publication offers peer-reviewed feature articles, short notes, and book reviews as well as abstracts of pertinent work published elsewhere.

Special Issues:

Status and Challenges of Grassland Restoration in the United States, *Ecological Restoration*, vol. 31 #2

NATIVE PLANTS JOURNAL

Edited by Stephen Love
ISSN 1522-8339
e-ISSN 1548-4785
Published 3 times per year

Native Plants Journal provides a forum for dispersing practical scientific information about planting and growing North American native plants for conservation, restoration, reforestation, and landscaping. Refereed research and general technical articles are blended to foster communication between researchers, academics, and field personnel. Topics include seed germination, planting techniques and equipment, cultural techniques, production trends, seed collection, genetics, and fertilization. Plant propagation protocols provide specific recommendations for growing. Relevant books are reviewed.

Landscape Journal

Edited by Daniel J. Nadenicek and David G. Pitt
ISSN 0277-2426
e-ISSN 1553-2704
Published 2 times per year

Landscape Journal offers in-depth exploration of ideas and challenges that are central to contemporary design, planning, and teaching. In publication for more than 25 years, *LJ* continues to be a valuable resource for academics and practitioners.

LAND ECONOMICS
