#### CORRECTION

J. Alan Wagar and Gordon M. Heisler have notified us that Donald Atkinson-Adams should be listed as co-author of the paper, "Rating Winter Crown Density of Deciduous Trees: A Photographic Procedure" in *Landscape Journal* 5:1, page 9. The co-authors and editors regret the omission of his name as a co-author.

Donald Atkinson-Adams is currently Pest Detection Specialist for the Contra Costa County Department of Agriculture, Concord, California. He has B.S. and Master's degrees in forestry from the University of California and has spent over 7 years administering arid land reforestation programs in Niger in the Sahel region of West Africa.
