*Landscape Journal* is dedicated to the dissemination of the results of academic research and scholarly investigation of interest to practitioners, academicians, and students of landscape architecture.

Cover: The Lake Shore Boulevard belvedere designed either by Charles Platt or by Warren Manning's office for "Gwinn," the William G. Mather estate at Cleveland, Ohio. The photograph was taken by Albert D. Taylor on June 13, 1913. Source: W.H. Manning Collection, Iowa State University. See Lance Neckar, "Developing Landscape Architecture for the Twentieth Century: The Career of Warren Manning."

Below: Open channel drainage, Village Homes, Davis, California. A new urban landscape context for a formerly "rural" concept. See Robert L. Thayer, Jr., "The Experience of Sustainable Landscapes." Photograph by the author, 1986.
